Student Acknowledgement of Internet Safety and Acceptable Use
Policy and Rules/Consent Form

363.2-Exhibit(1)

I have received and reviewed a copy of the Kewaskum School District Internet Safety and Acceptable Use Policy and Rules.

Student:

I understand that failure to comply with District policies and rules regarding the use of its computers, networks, electronic mail and the Internet can lead to disciplinary procedures, up to and including suspension or expulsion, and criminal prosecution under appropriate state and federal laws

Parent/Guardian:

I understand that, as a parent/guardian, I may revoke my child's Internet privileges at any time. I may revoke my child's privileges by presenting my request in writing to my child's principal. I also understand that my child's privilege to use the District's computers, internal networks, and/or Internet may be revoked at any time without warning.

Please check one:

- I give my consent for my child to have access to the Internet.
 I **DO NOT** give my consent for my child to have access to the Internet.

I recognize the use of the computers and the computer network is a privilege and not a right. I affirm that I will use the computer system only for school purposes and will follow the acceptable use rules and any other computer policies that may apply.
