

FIRE STARTERS

I am selling fire starters to help raise money for the KMS Technology Education Department. They are a “GREEN” product made by recycling saw dust collected in the dust collector and un-used wax from donated candles. They have approximately 30 mins. of burn time and are great for fires outside or in your fireplace.

Pricing is as follows:

-75cents each

-(4) or more for 50cents each

IF YOU ARE INTERESTED PLEASE CONTACT
