BREWER OUTING FOR 7th GRADERS

All seventh graders are invited, with their families, to attend the April 20th night Brewer game against the Colorado Rockies. Grandstand group tickets are priced at \$11.50 each. A family order form is included with 7th grade report cards.

KMS is providing transportation to all who choose to be part of the seventh grade field trip. The busses will depart at 4:45 p.m. to arrive before 6:00 p.m.

This will give families an hour prior to game time to visit the pro-shop and collect autographs. All attendees must ride the bus since this is a school field trip.

Why aren't other grades invited? Two reasons: 1- sheer numbers could become chaotic, and 2- sixth and eighth graders already had a field trip this year. Now if a sixth or eighth grader is a sibling, they are more than welcome to attend as a family member.
