

Series	100	Board of Education
Section	150	School Board Powers and Duties
Policy	151.3	Formulation of Administrative Regulations

The Board shall delegate to the District Administrator the function of specifying required actions and designing the detailed arrangements under which the schools will be operated. These rules and these detailed arrangements shall constitute the administrative regulations governing the schools. They must be in every respect consistent with the policies adopted by the Board. The Board itself shall formulate and adopt administrative regulations only when specific state laws require Board adoption and may do so when the District Administrator recommends Board adoption in light of strong community attitudes, or probable staff reaction.

In the absence of applicable policy, the District Administrator is authorized to establish needed regulations subject to later confirmation in policy, should the Board so wish.
