

Series	400	Students
Section	420	School Admissions
Policy	421.1	Early Admissions to First Grade

There are certain conditions and standards under which admissions to first grade may be made at an earlier age than that specified in s. 118.14 in exceptional cases. The District Administrator has the final authority for deciding whether or not the child is to be admitted based solely on the criteria in Procedure 421.1P. The Administration is responsible for developing said procedures.
