The Kewaskum High School Administrators have recommended that the above-named student be considered for expulsion in accordance with Policy #443.4.

In accordance with Board Procedure #443.4P, the request for consideration for expulsion may be withdrawn if the student agrees to a drug/alcohol screening and/or assessment and agrees to follow resulting recommendations. The option checked below has been agreed upon:

- _____ Option #1. Student does not agree to a drug/alcohol screening and/or assessment.
 (Choosing this option will result in a request for an expulsion hearing.)
- _____ Option #2. The student agrees to a drug/alcohol screening with the SAP Coordinator and agrees to follow his/her recommendations.
- _____ Option #3. The student and parent agree to an alcohol and other drug assessment provided at a state-approved alcohol/drug agency and agree to follow resulting recommendations.

The parent/guardian of the student are further advised of the following:

1. If either of the above drug/alcohol screening and/or assessment options are chosen, failure to comply with resulting recommendations may result in implementation of a request for an expulsion hearing.
2. If an A.O.D.A. agency is involved as a result of choosing one of the above options, the parent/guardian and student must consent to release of information to the District as to the student's participation and compliance with agency recommendations. Failure to provide consent will result in a request for an expulsion hearing.
