

Series	400	Students
Section	430	Attendance
Policy	447.31	Expulsion

The School Board may expel a pupil from school for a stated length of time when it finds the pupil guilty of repeated refusal or neglect to obey school rules or finds that he/she engaged in conduct while at school or while under the supervision of a school authority which endangers the property, health or safety of others and is satisfied that the interest of the school demands the pupil's expulsion.

Where it is felt by the school principal that it is in the best interest of the school to remove the student from the classroom immediately, a suspension of up to fifteen (15) consecutive school days may be imposed in conjunction with the expulsion proceeding.

The School Board must hold a hearing prior to any expulsion. The student and his parent or guardian, if he/she is a minor, must receive at least five days notice prior to such hearing. The written notice of the hearing will be sent by the District Administrator, along with notice specifying the particulars of the alleged refusal, neglect or conduct complaint. The time and place of the hearing will be included, as well as information to the pupil or guardian that the hearing may result in the pupil's expulsion. The pupil may be represented at the hearing by legal counsel and the School Board must keep written minutes of the hearing.
