

## Lesson Requirements - Kewaskum 7th Grade Band

\*Prepare the following pieces for each band lesson. Your teacher will sign off on each piece you play. If you don't play a piece, you will be asked to do it again for the next lesson.

\*The last piece for each lesson is a **bonus song**. These pieces are harder and will be checked off if they are played perfectly. These are not required, but are highly encouraged to build your skills! Students that check these pieces off will be eligible for a variety of incentives.

\*Your teacher may adjust the music as necessary, adding or eliminating pieces.
