

# Kewaskum Community Schools

---

*The Kewaskum Community Schools ignite a passion for learning.*

The Kewaskum School District strives to provide a safe and purposeful learning environment. As a school, we want to be proactive in teaching our students the Kewaskum Way, positive behaviors in their everyday life.

Kewaskum Middle School is participating in a very important program this year called PBIS, which stands for "Positive Behavioral Interventions and Supports." We are using this program to help our students have a safe, positive learning environment, and to provide consistency in all areas of our school.

## **How does PBIS look at Kewaskum?**

We will be using three consistent school rules:

*Safe*  
*Respectful*  
*Professional*

You will see these rules posted throughout the building. Teachers will be using lesson plans, videos, and all school meetings to explicitly teach and reinforce these three rules to our students for all areas of the school. You can also find attached a copy of the school rules for all areas of the building.

## **How can you be a partner in this effort?**

We want you to be a partner in helping us make our school a more positive place for your child(ren) to learn. Some ways to be involved are: making a poster at home of the rules, reminding your child(ren) each day before they leave about expectations, making sure that your child(ren) come to school every day and on time, as well as asking them if they followed the rules that day and if they received any rewards. We believe that with your support we can help make Kewaskum Middle School an even better place for your child(ren) to learn and grow.

Thanks,

Kewaskum Middle School Staff

## Kewaskum Middle School - PBIS Expectations
