Re: Optional Voluntary Student Accident Insurance

Dear Parents:

Kewaskum School District does not provide any type of health or accident insurance for injuries incurred by your child at school. As a service to students and their families, our school is making available a student accident insurance plan for your child at a very nominal cost. Student Insurance applications are available online with First Agency, Inc.

REASONS TO PURCHASE THIS COVERAGE:

1. Deductibles and co-pays in your health plan. Many health plans have increased the amount of out-of-pocket expenses.
2. No health insurance coverage.

This plan will provide benefits for medical expenses incurred because of an accident. If you have other insurance, benefits can be applied to your deductible or co-pays. If you have no other insurance this will become your primary accident plan.

TO PURCHASE COVERAGE:

1. You can enroll in student accident insurance coverage with First Agency, Inc. online at www.1stagency.com. Once you have connected with the web site, choose STATE (Wisconsin) and SCHOOL DISTRICT (Kewaskum School District) then follow the directions for enrollment. You have the option to download the application to mail with a check, or to complete the application on-line with a credit card.
2. For coverage purchased for interscholastic football or other fall sports starting prior to the first day of school, the effective date will be the date the application and premium is received by First Agency, Inc.
3. Claim forms are available online and must be submitted with itemized bills.
4. All questions regarding this coverage should be directed to First Agency, Inc. @ (269) 381-6630.
