## 2017 SUMMER SCHOOL PROGRAM

Welcome to Summer School 2017! We are offering a variety of courses this year. Please see the matrix on pages 14-15 for all available courses for each grade, as well as meeting times. We are certain that regardless of which course(s) a student chooses, it will be a fun and exciting experience.

### REGISTRATION

- **Registration will begin Wednesday, April 19, 2017 at 6:00pm. Only online registrations will be accepted. If you do not have access to a computer, we will be holding an open lab on Wednesday, April 19 from 5:45pm to 6:45pm in the Kewaskum Elementary computer lab. The lab is on the second floor next to the library.**
- Bus forms will be part of the online registration.
- **When registering be sure to use your child's grade level for the current school year.**
- Because some courses have a limit on enrollment, students will be placed on a first come first serve basis.
- Summer School is not an IEP driven program. Students with unique learning needs should be able to function independently.
- **The summer school registration deadline is Wednesday, May 3 at 3:00pm. This deadline will ensure accurate numbers, which guarantees courses will run, determines the appropriate amount of supplies are obtained, and helps us schedule the necessary transportation.**

### LOCATIONS AND TIMES

The course description will tell you when and where the class meets. Most courses are held at Kewaskum Elementary School (KES). Some classes will meet in the high school or middle school. You will receive a confirmation email with further information including a school map in late May.

### ATTENDANCE, FIELD TRIPS, AND BEHAVIOR

- Attendance is kept during Summer School. If a student is absent three days in a row without special arrangements, he/she will be dropped from the class. Students may also be dismissed from the program for inappropriate behavior. To report an absence, call (262)-626-3101 ext. 1100.
- Some classes will go on field trips. A signed statement must be on file allowing the student to participate.
- Bus transportation will be provided. One bus will run from each of the four (4) satellite locations. (Beechwood, Farmington, Fillmore-Turner Hall, and Wayne), depending on enrollment. Bus registration will be done online.
- The buses will pick-up once in the morning and return students after the final class at 11:55 a.m.
- **NO BUSES WILL RUN BETWEEN CLASSES.**
- **IF YOU WANT TRANSPORTATION BOTH WAYS, THE STUDENT MUST REGISTER FOR CLASSES FROM 8:00 A.M.-11:55 A.M.**

## DISNEY AND BEYOND

Yes...we will be watching Disney (and some Pixar) movies all summer! But remember, movies provide us with fantastic, rich, imaginative stories that also hold realistic personalities, real-life struggles and worries, and most importantly, true messages about life.

This course will allow students to practice the analytical and critical thinking skills that we use when analyzing texts in the Language Arts classroom. Movies are texts too, it's just that they provide us with information in a different way than words on paper. We will be overlapping the relaxing enjoyment of a movie with the rigorous thinking of which we practice with our stories in school.

### General Information

#### Open Club Activities

The \$65 minimum annual contribution includes access to all of the open club activities in the gym, art room, technology center, and games room. Ongoing fun activities are offered in the open areas by professional staff.

#### Field Trips

Each location schedules its own field trips. The schedule is subject to change. Field trips may be added throughout the summer or cancelled due to lack of participation or inclement weather.

**A refund credit on the members account will be given if the Club cancels the trip. Members must be 8 years or older for van trips.**

Spots are filled on a first-come first-served basis. Permission slips along with payment are required to secure spot.

#### Lunch Program

Members are able to get lunch through the school at noon each day at the start of Club. All aspects of the hot lunch program are provided and handled by the Kewaskum School District.

I understand that the program fees are non-refundable. I give my member(s) permission to attend and participate in all phases of the summer program (except those specifically requested) including off-site trips, if applicable.
