To Whom It May Concern:

The Wisconsin Association of Independent Colleges and Universities, in collaboration with the Big Brothers Big Sisters of Washington County, is proud to announce **The Cynthia Mott Memorial Scholarship** will again be made available for a 2019 high school graduate.

Cindy Mott was a strong advocate for the Big Brothers Big Sisters Program and participated for many years as a volunteer. Her belief in the limitless potential of young students and the importance of continuing their education is the driver of this scholarship program. This scholarship serves to carry on her legacy for students involved as **Little Brothers/Sisters**.

This four year renewable scholarship in the amount of \$1,000/year will be awarded to one graduating senior from a Washington County high school who participated as a "little brother/sister" for a minimum of one year. Participation as a little brother/sister could include any chapter so long as the candidate is a current resident of Washington County.

To apply, students must complete the attached application form and include additional materials outlined on the application. Your school may submit any number of applications, provided that each applicant meets the required criteria. Please submit completed application materials to my attention no later than **March 15, 2019**.
