

WISCONSIN ANTIQUÉ POWER R·E·U·N·I·O·N

September 1, 2018

To: Local High School Guidance Counselors

From: Wisconsin Antique Power Reunion Scholarship Committee

The Wisconsin Antique Power Reunion, an antique tractor club established in 1995 and consisting of 200 members from Ozaukee, Sheboygan and Washington counties, is once again offering a scholarship program aimed at high school Seniors. This is for students interested in pursuing a field of study in or related to agriculture. In recognition of the increasing value of higher education, it is our commitment and goal of the club to facilitate and promote higher education. We feel it is our responsibility to help educate the next generation. Whether it is accomplished in college or a technical school. This scholarship is intended to assist students who have the desire and ability to further their education in the designated field of study.

The scholarship winner will be required to volunteer 4 hours of their time at a club sponsored event. This is due to the positive response from the public being able to meet the scholarship winner. There are many events, tractor show, toy show and breakfast on the farm. You must live in one of the three counties that the club represents unless you are related to a club member.

The \$1000.00 scholarship will be awarded to three eligible graduating seniors who are planning to enter in to **agricultural** or related field of study. **The application deadline is to be post marked by April 1 2019.** The recipient will be notified by the end of the 2018-2019 school year. The scholarship committee will make the final selection of the scholarship recipient from a list of those that applied. **This is a 1-year, nonrenewable scholarship.**

Enclosed, please find an Application for the Scholarship Award Form. Feel free to copy and distribute as necessary to interested candidates. If you have any questions, feel free to contact me.

Note: You may reapply if you do not win and are still going to school.

Thank you. David Morris, Scholarship Committee Chairperson
