Hello,

My name is Stacy Leverenz and I am the Program Coordinator for the Wisconsin Restaurant Association Education Foundation (WRA EF). I am writing to encourage your students to apply for a WRA EF scholarship.

Our foundation offers scholarships to **students pursuing post-secondary education in fields related to the restaurant and hospitality industries**, such as Culinary Arts, Hospitality Management, and Food Science. Many other programs are eligible so long as the student's intentions are to have a career in the restaurant and hospitality industry.

Enclosed is a poster for your school. Our scholarship application is online and can be accessed at <http://wirestaurant.org/education-foundation/scholarships>.

Feel free to contact me with any questions. Thank you for your help in promoting our scholarship program!
