

DURING SCHOOL HOUR OPPORTUNITIES

Classroom Assistant

Whether you like working alongside the staff with classroom projects, assisting students with daily activities, reading, math, enrichment activities, or typing up projects, volunteering in the classroom is a wonderful way to make a difference. Volunteer applicants can work with individual students, helping to complete their tasks in a timely manner.

Tutor

Would you be willing to challenge a child's mind and work with them to fulfill their class academics? From kindergarten to twelfth grade, individual tutoring can make all the difference to a child who is struggling. Volunteers can help with reading, language arts, math, science, and social studies.

Library Assistant

Do you ENJOY books? Do you love to see students learn to read? Do you love to check out all the latest and greatest books? Do you like to file? Do you like to shelve books? Do you like to repair a book so it can be read and read again? If you answered yes to any of these questions, then volunteering in the library is for you. Library hours will be during school hours and will vary per building. After application is accepted, hours will be determined.

Junior Achievement (JA)

Have you ever wondered what it would be like to empower a student's mind with the knowledge about business and economics? Could you see yourself teaching inquisitive minds? Then JA is for you. Once a week, for six weeks, you will have the opportunity to come into a classroom K-12 grade and teach a lesson. The lesson and materials are provided to you. With your knowledge and JA materials, you can watch a child's mind grow. Days and times can be set up on an individual basis.

Playground Duties

Volunteers who choose to help with playground duties enjoy the outdoors; enjoy engaging in football, basketball, kickball, and teaching students new games. If you have a flare for creativity for safe outdoor activities, this is the place for you to volunteer.

Lunchroom Duties

Volunteers who choose to help in the lunchroom get to help set up the cafeteria, prep food, serve food, clean tables, and enjoy all the smiling faces as they come to receive their lunch. Great opportunity for community members, students, and retirees!

Special Events

Only have time to help once in a while? Then this one's for you. Class parties, bake sales, holiday projects, fundraisers, school wide testing, data entry, and child care are just a few ways we could use your help.

Sewing

If you can help with an occasional sewing project, we would like to hear from you. We need assistance with classroom craft projects, sewing costumes for a production, or repairing items in a classroom.

AFTER SCHOOL HOUR OPPORTUNITIES

Athletic Events

GAME ON! Basketball, volleyball, track, soccer, baseball, softball, fast pitch, football, trap, and tennis could all use volunteers. Some ways you can help are; scorekeepers, timers, chain guards, concession stand, ticket takers, and chaperones.

Production Assistant

LIGHTS, CAMERA, ACTION! If those are magic words to your ears, then Production Assistant is where you belong volunteering. Areas of need are stage crew, lighting, sound, costumes, props, ushers, and concession stand at the bake sales during intermission.

Concert Program Volunteer

Do you have a sharp eye for detail and enjoy being behind the camera? Would you enjoy seeing the art projects made by all the students, which is used to decorate the performance hall for the concert? Would you enjoy playing games with the students while they wait to perform? These are just some of the ways you can help to make the concerts spectacular for all. Come help the show GO ON!

PTO Parents in the Middle

Parents, community members, and teachers working together for family fun nights, school activities, and

fundraisers. The PTO funds enhance classroom learning through grants for field trips, DARE sponsorship and school assemblies. Equipment purchases such as classroom Promethean Boards providing improved technology are often funded through PTO fundraisers. PTO promotes community involvement with many of its events. Come feel a part of the Kewaskum Schools of Choice. Meetings are announced on the [web](#).

KEYS Walk/Run Scholarship Event (early October)

Volunteers each year help plan the event, deliver fliers, set up for race day, package t-shirts, enter data, and volunteer on race day. This scholarship program helps many KSD students fulfill their potential dreams towards college. Education beyond high school is an expense many cannot afford but with your willingness to volunteer, many Kewaskum School District students will be that one step closer.

Boys & Girls Club – Kewaskum

Looking for a way to serve the youth of the Kewaskum community? Boys & Girls Club is always looking for volunteers to give us a hand. We look to have our volunteers assist with daily set-up, putting on activities for the members, and helping with homework. If you are interested please contact the Club at 262-334-3732 or e-mail the Unit Director at maxr@bgc.org.
