Sharing Information with other Kewaskum School District Programs 2017-2018 SY

Dear Parent/Guardian:

Families who qualify for free or reduced cost meals may elect to have this information shared with district personnel for the purpose of waiving or reducing eligible fees and for verifying additional program eligibility. However, we **must have your permission** to share your family's free or reduced cost meal status. Signing this form **will not** affect your family's ability to receive free or reduced cost meals.

Yes! I DO want school officials to share information from my Free & Reduced Priced School Meals Application with:

- Business/School Office Personnel** to automatically waive/reduce Eligible School Fees (Registration Fees)
- Counseling Department Personnel** when I request to have applicable Test and/or College Application Fees reduced (i.e. AP test fees)

*If you checked yes to any or all of the boxes above, fill out the form below to ensure that your information is shared for the child(ren) listed. Your information will be shared **ONLY** with the school programs checked.*
