Select one Key class choice

Spanish (all school year every other day opposite of Phy Ed)	Computers (1st Tri) and Creative Writing (2nd/3rd Tri) ***Please note that if you pick Spanish for high school and have not taken Spanish in 8th grade, you will be placed in Spanish 1 in high school. Starting at Spanish 1 in high school removes the possibility of getting to Spanish 5 prior to high school graduation.

Select one Music choice

Music	
	Band (Students start band instruments in 6th grade)
	Choir
	Band/Choir (both – rotating days and every other Friday)
	Alternative to Music (The Alternative to Music course for the 8th grade is an opportunity for the students to explore their inner journalist, creative writing skills, and interests in topics around our school district and community. In this, we build the KMS Post, a newspaper full of new topic articles, comics, poetry, student achievements, and videos, all of which are created from scratch by the students.)

I approve of my child's Key class and Music course.
