

Welcome to Kewaskum High School

Athletics & Activities

Kewaskum High School is a member of the Wisconsin Interscholastic Athletic Association and of the East Central Conference for most WIAA sports. We are members of the Eastern Wisconsin Conference for Boys Tennis and Girls Tennis. We are members of the North Shore Conference for Girls Golf.

We offer 18 WIAA sports and a seven Competitive Club teams. There are also over 20 Performing Organizations/Classes and Non-Competitive Clubs that we offer.

We want our students to be engaged members of our school community by being involved in extra- and co-curricular programs. Studies have shown that students who are involved in these activities are more successful in school.

We strive to offer our students opportunities to develop: leadership skills; learn qualities such as loyalty, sacrifice, and cooperation; how to be part of a team; opportunities to practice self-discipline and emotional maturity; and to enjoy athletics and activities. We push our students to demonstrate PRIDE in our school and communities.

Please see the rest of our webpage and links for information you may need about our various offerings.

Sincerely,

Jason Piittmann
