RE: Family Balance Policy

Dear Parent/Guardian:

The USDA has extended the waiver allowing free breakfast and lunches through June 30, 2022. A single milk, additional servings or a la carte items are charged for. We would appreciate you keeping your family balance in the positive.

How Kewaskum School District will communicate with you:

- If you have selected in Family Access the email notification of low balance, a daily email will go out to you once your Family Balance falls under \$10.00 (in the positive). You will continue to receive those emails until your balance is over that amount.
- KMS and KHS students are notified by staff when their balance is getting low. Students can also check their balances on Family Access.
- The Nutrition Services Secretary will call any family that has a balance that is getting low or in the negative.

At any point your balance falls into the negative (-\$0.01), your child will not be allowed to purchase any a la carte from our Nutrition Services Program. This would include a double lunch, extra entrée, or extra milk.
